SOUTH PASADENA POLICE DEPARTMENT PUBLIC WORKSHOP

The City of South Pasadena has engaged Raftelis, a consulting firm with experience assisting public safety organizations nationwide, to provide recommendations on how the Department can best serve the needs of the community.

To inform the study's recommendations, we welcome community involvement and input.

Provide your input on Police Department strengths and opportunities for improvement by joining us at the South Pasadena Police Department's Public Workshop.

We thank you in advance for sharing your thoughts with us and helping us to ensure that the Police Department continues to improve and meet the community's needs.
